In-App Disclaimers and Explicit Consents

1) First-run beta notice

Title: Welcome to the Foresee Beta

Body: This is a pre-release version for testing only. Features may change or be removed without notice. No service-level commitments. This app is not a substitute for professional medical advice, diagnosis, or treatment. Always seek the advice of a qualified health provider with any questions about your health. By continuing, you agree to the Beta Terms and acknowledge the Privacy Policy.

Actions: [Agree and Continue] [View Terms] [View Privacy Policy]

Links: Terms (in-app page) and Privacy Policy

2) Age gate

Title: Age Confirmation

Body: You must be the age of majority in your jurisdiction (18 in Ontario) to participate in the beta.

Actions: [I am 18+] [Exit App]

NOTE: If we include other provinces, we'll update the age gate to "age of majority in your province or territory"

3) Telemetry and crash reports

Title: Help Improve Stability

Body: Share limited technical diagnostics, usage analytics, and crash reports to improve performance. As described in our Privacy Policy, this may include limited device identifiers and IP address. You can change this anytime in Settings - Privacy - Analytics. During beta, if this control isn't available, email privacy@capacitycreator.com to opt out.

Actions: [Enable] [Not Now]

Secondary link: Learn more (Privacy Policy)

4) Apple HealthKit / Google Fit (category-level) opt-ins

Title: Connect Health Data

Body: Choose which categories to share for wellness features. You can control this in your device settings. We only request categories that you approve. Your burnout score is processed on-device by default. We do not use health data for advertising, marketing, or resale.

Category list examples (each with toggle and brief purpose):

- Steps: activity tracking and trends
- Exercise minutes: activity trends
- Heart rate / HRV: recovery insights
- Sleep: rest trends
- Mindfulness: session tracking

Actions: [Continue to Device Permissions] [Not Now]

Footer: You can disconnect or change permissions anytime in Settings.

5) Spotify connection

Title: Personalize Audio with Spotify

Body: Connect Spotify to personalize audio experiences. You can disconnect anytime in the app or Spotify settings.

Actions: [Connect Spotify] [Not Now]

Link: Privacy Policy

6) Marketing emails (CASL consent)

Title: Get Product Tips and Beta Updates

Body: By selecting "Yes," you consent to receive occasional electronic messages from Capacity Creator at the email you provide, including occasional product tips, announcements, and surveys. You may withdraw your consent at any time using unsubscribe links in emails or by contacting us. Service and security messages are unaffected.

Actions: [Yes, email me] [No, thanks]

7) Location disclosure

Title: Location Settings

Body: We do not track your movements or store precise location. We may derive coarse location from IP for regional functionality and diagnostics.

Actions: [OK]

8) Security and vulnerability reporting

Title: Security

Body: To report a security issue, email security@capacitycreator.com with "Security Disclosure" in the subject line. Please do not disclose vulnerabilities publicly without coordinated disclosure.

Actions: [OK]

9) Updates and remote disable notice

Title: Beta Updates

Body: The app may auto-update. Specific builds may be disabled for safety, security, or to end the beta.

Actions: [OK]

10) Privacy links in Settings

· Privacy Policy

· Request My Data (Beta)

· Delete My Account (Beta)

· Manage Analytics & Telemetry

· Disconnect Integrations

All of these would link to the corresponding flows or email actions per the privacy policy
